REGULATORY CAPTURE

6

2

AGENDA: Research

For each bad publicity you have up to 4, this agenda gets -1 advancement requirement.

This was a criminal offense. Now it's an option for business.

KIMBERLITE FIELD

4

2

AGENDA: Expansion

When you score this agenda, you may trash 1 of your rezzed cards. If you do, trash 1 installed Runner card with a printed install cost equal to or less than the printed rez cost of the Corp card you trashed.

"Weyland's synthetic diamonds cost less than naturals... so what are they really digging for here?"
—Captain Padma Isbister

2022 Null Signal Games. Illus. Vitali Ostaschenko — 121

• HOSTILE ARCHITECTURE

5

ASSET: Hostile

The first time each turn the Runner trashes any of your installed cards *(including this asset)*, do 2 meat damage.

When implemented at this sort of scale, these practices can keep away far more than a few unwanted citizens.

2022 Null Signal Games. Illus. Dimk — 122 — 4

SUPERDEEP BOREHOLE

6

ASSET: Illicit - Industrial

When you rez this asset, load 6 bad publicity counters onto it. When it is empty, you win the game.

When your turn begins, take 1 bad publicity from this asset.

"They just keep drilling down, no matter what..."
—Valentina Ferreira

2022 Null Signal Games. Illus. Vitali Ostaschenko — 123 — 6

ANVIL

4

ICE: Code Gate

When the Runner encounters this ice, you may trash 1 of your other installed cards. If you do, the Runner cannot break this ice's printed subroutines for the remainder of this encounter.

↳ Gain 1 ⬡. The Runner loses 1 ⬡.
↳ The Runner trashes 1 of their installed cards.

Waiting for the next blow to land.

2022 Null Signal Games. Illus. Scott Uminga — 124 — M

END OF THE LINE

3

OPERATION: Black Ops

As an additional cost to play this operation, remove 1 tag.

Do 4 meat damage.

Under northern skies Sundog had lived all his life, and under them he would die.

2022 Null Signal Games. Illus. Ole Boldador — 125

• YAKOV ERIKOVICH AVDAKOV

2

UPGRADE: Executive

Whenever a player trashes a card *(including this upgrade)* from the root of this server or protecting it, except during installation, gain 2 ⬡.

They say the Butcher of Siberia keeps the best cuts for himself.

2022 Null Signal Games. Illus. Dave Lee — 126 — 2

ZATO CITY GRID

3

UPGRADE: Region

Remote server only.

Each piece of ice protecting this server gains "When the Runner encounters this ice, choose 1 subroutine on it. You may trash this ice to resolve that subroutine.".

Limit 1 **region** per server.

Getting in is hard. Getting out requires a death certificate.
